*IQ.DRIVE features are available on Life and R-Line models.

Driven by **Design**

The Tiguan is built to impress from every angle. A sculpted sporty design made for dynamic performance. The Life and R-Line models come standard with sleek LED headlights that light up the road in style, while the R-Line offers the optional IQ.LIGHT HD matrix LED headlights for ultimate visibility. Boasting a spacious 652-litre boot, there's plenty of room for all your adventures. The Tiguan blends cutting-edge design with practical features like the multifunction steering wheel and gear shift with an integrated OLED display, making it the perfect companion for every journey.

Tech Meets Terrain

With its 4MOTION powertrain, you can enjoy the ride on and off the road, even on wet roads. The Tiguan interior blends cutting-edge technology with refined comfort. Featuring a new integrated 10" Digital Cockpit and a stunning 12.9" MIB 4 Infotainment Radio, it ensures you stay connected and in control. Sit in the ultimate comfort with massage leather seats. Enhance your driving experience with Colour Ambient Lighting and the intuitive drive experience dial at the centre console.

*Some of these features are optional across the Life and R-Line models.

Fine Tuned **Audio Features**

One thing about the Tiguan, its new optional sound system from Harman Kardon elevates your driving experience to a new level. With its refined, elegant design, it's made for drivers who appreciate good quality sound. With App-Connect that allows you to sync your Apple or Android device, you can access a world of ease with just a tap of a button. We know it sounds too good to be true, but it's not.

*Optional on Tiguan Life and R-line models.

The Brains of **the Operation**

Experience the Tiguan's intelligent design that prioritises your safety and convenience. Equipped with frontal and rear sensors, a multifunction camera, and hands-off recognition, this SUV is built to keep you confident on the road.

Navigate tight spots with ease and enjoy added peace of mind, knowing that advanced features are at your service. Not to mention the IQ.Light HD Matrix and its bright, far-reaching beam becoming your travel assistant - illuminating the way wherever you go.
